

PITIRIASIS SIMPLEX CAPITIS (DRY DANDRUFF)

The aspects of the plates is white-ash, easily flakes and which adhere to the hair shaft; the scalp is fragile and satiny.

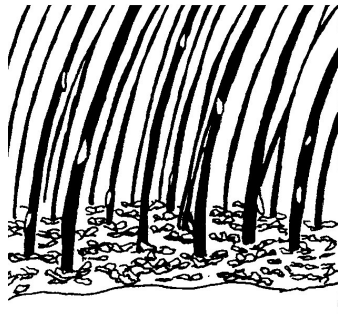

Appearance of the plate

Appearance of the scalp

The causes are varied, but normally this flaking process is associated with nervous problems, although lack of vitamin A, unsuitable shampoos, low water intake and washing the head with water hotter than 37 degrees, also causes PITIRIASIS SIMPLEX CAPITIS

Treatment

Prepare the scalp by applying Dermocapilar mask (ref. 28, 58) previously mixed with Herby (Ref. 25) and apply as if it were a dye, leave to act for 20 minutes, carry out this operation once a week to dirty hair.

Wash at three times a week with Anti-Dandruff shampoo (Ref. 19) alternating with Dry and Normal shampoo (Ref. 16).

Apply Marine Anti-dandruff (Ref. 204) alternating with Herby (Ref. 3) at least 3 times a week for 90 consecutive days.
